

Parent Involvement

We greatly appreciate all of our parents and the support you give to teachers. If you would like to help with activities at the school including sending food for staff luncheons, book fair, and other events through the year, please sign below and provide your email and contact number. WSAA (our parent organization) will be in touch with you about upcoming events. Thank you to all who have already helped us out to begin this school year. It is going to be a great one!

Thank you so much!
