

Wellman-Union ISD School Health Advisory Committee (SHAC)

October 3, 2019 2:00

Minutes

Members in attendance: David Foote, Ben Prowell, Bridget Brown, Amber Yates, Kelli Hesse, Brenda Macias, Madison White, Penny Crowley

Brenda Macias and Madison White introduced themselves.

Mrs. Brown reviewed the minutes from previous meeting.

Amber Yates went over a nurses report informing the committee that all shot records are updated. We are in compliance with all students. We have a few who are in the process of completing all shots needed but they have started their immunizations and have appointments scheduled.

Flu shots are scheduled on Wednesday, October 9th. We have about 40-50 people signed up for shots.

New Audiometer has been ordered for hearing screenings.

Mrs. Brown discussed the idea of a share table at lunch was not working the way we planned. Committee decided we no longer need the table out. Students tend to share at their own table and not walk over to that one.

Holiday meal is schedule for Friday, December 13th.

Turkey run is scheduled for Friday, November 22nd.

Penny discussed the laws with free food days. The school is provided 6 days a year to sell items that do not fall under the smart snacks category. This will include the day we host UIL. Classroom parties do not fall under this because the snacks are not being sold. A smart snack list has been provided to the committee.

The next SHAC meeting is scheduled on January 30th at 3:00pm.

Meeting adjourned at 2:30
