Dear Parent:

Wellman-Union ISD is sharing this information about the district and your child's campus with you as part of its obligations under the federal No Child Left Behind Act of 2001 (NCLB).

Federal Report Cards for the state, the district, and each of the district's campuses are now available on the district's website at this link: <http://wellman.esc17.net> or are also available on the Texas Education Agency's website at:

https://tea.texas.gov/Finance_and_Grants/Grants/Federal_Report_Card/.Aa

Information on these report cards includes:

Part I: Percent Tested and Student Achievement by Proficiency Level – Provides the State of Texas Assessment of Academic Readiness (STAAR) performance results and participation for each subject area and grade level tested.

Participation reports also include reports of the participation of Children with Individualized Education Plans (IEPs) by assessment type.

Part II: Student Achievement and State Academic Annual Measurable Objectives (AMOs) – Provides the AMO outcomes and data table of STAAR performance results for each subject area tested in the accountability subset. This section also includes participation rates on STAAR for reading/English and mathematics, use of alternative assessments, plus four-year and five-year graduation rates.

Part III: Priority and Focus Schools – Priority schools are the lowest 5% of Title I served campuses based on performance in reading and mathematics and graduation rates. Focus schools are 10% of Title I served campuses, not already identified as priority schools, that have the widest gaps between student group performance and safeguard targets.

Part IV: Teacher Quality Data – Provides information on teacher quality in three parts.

Part A – Percent of Teachers by Highest Degree Held – Professional qualifications of all public elementary and secondary teachers in the Texas.

Part B and C – Teachers with Emergency/Provisional Credentials, Low Poverty/High Poverty Summary Reports – Percentage of all public elementary and secondary school teachers teaching with emergency or provisional credentials, disaggregated by high-poverty compared to low-poverty schools.

Part III: Priority and Focus Schools

Priority schools are 5% of Title I served campuses based on performance in reading and mathematics and graduation rates. Priority schools include TTIPS schools, campuses with graduation rates less than 60%, and lowest achieving campuses based on Improvement Required status and reading/mathematics performance in the selected student groups. **Focus schools** are 10% of Title I served campuses, not already identified as priority schools, that have the next lowest achieving campuses based on Improvement Required status and reading/mathematics performance in the selected student groups.

Results available at campus level only.

A high-performance reward school is identified as a Title I school with distinctions based on reading and mathematics performance. In addition, at the high school level, a reward school is a Title I school with the highest graduation rates. **A high progress school** is identified as a Title I school in the top 25% in annual improvement; and/or a school in the top 25% of those demonstrating ability to close performance gaps based on system safeguards.

Results available at campus level only.
