November 10, 2025

To the Student Health Advisory Committee (SHAC):

Wellman-Union CISD has applied for a Texas School Mandate waiver for a Summer Feeding Program. Our school district's enrollment is 244 students. However, 118 students are transfers from other districts. Only 54 students live within walking distance of the school. Of these, 2 students are Pre-School, 21 are Elementary age, 19 are Junior High and 12 are High School age. They walk anywhere between one to six blocks. There are no sidewalks or crosswalks in the community. There is no public transportation in Wellman. At this time, we do not feel like it is feasible to have a Summer Feeding Program with both the small number of in-district students and the lack of transportation for students. Our neighboring districts, Brownfield ISD and Seagraves ISD offer Summer Feeding Programs. Both districts offer breakfast and lunch. More than half of the student population consists of transfers from Brownfield ISD and Seagraves ISD. Wellman-Union CISD can provide information to students regarding the Summer Feeding Programs at the neighboring schools.

Thank you,

Board of Trustees
