

Wellman Union ISD
2025-2026 School – Parent “Compact” for Achievement
Parent and Family Engagement
Campus: Wellman Union Grades: PreK - 12

Information will be shared, to the extent practicable, in a language that family members can understand. If you need assistance, or have any questions about this document, please contact The Principal at (806-637-4910). Translation services are available.

La información se compartirá, en la medida de lo posible, en un idioma que los miembros de la familia puedan entender. Si necesita ayuda o tiene alguna pregunta sobre este documento, comuníquese con The Principal (806-637-4910) . Los servicios de traducción están disponibles.

What is a School Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will share the responsibility for improved student academic achievement. The compact will be distributed during registration, during parent-teacher conferences and at the Annual Title I Parent Meeting. This form will also be placed on the district/campus websites.

Effective Compacts:

- Explain how teachers and parents will have two-way, meaningful communication about student progress. Parent conferences will be held at least annually for elementary schools.
- Describe opportunities for parents to volunteer, observe, and participate in the classroom
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Link goals of the school improvement plan
- Focus on student learning skills

The parents, students and staff of Wellman Union School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

If you would like to volunteer please contact:

The Principal or Front office at 806-637-4910

Building Partnerships

The following activities, family nights are available throughout the year and will be posted on our school website, school ap, as well as student newsletters that go home each Tuesday in Elementary.

- Title 1 Parent Meeting, Meet the Teacher/Meet the Wildcats, Turkey Run, Snowman Village, Book Fair, Grandparents Day, CTE Week, Ag/FFA week, Dances, Reading/Math/STAAR Night, UIL, Field Day, Splash Day, WSAA, Athletic Booster Club, Color Run, Egg Hunt, and Elementary Classroom parties
- Many more to be posted on the website and the Wellman Union Ap

Communication about Student Learning

Wellman Union School is committed to frequent two-way communication with families about children’s learning. Some of the ways you can expect us to reach you are:

- Weekly homework folders
- Updates on the school website and current grades
- Class meetings on understanding student progress
- Parent-teacher conferences

- 3 week progress reports and 6 week report cards

Do you have questions about your child's progress?

Contact your child's teacher by phone (806-637-4910) or email. E-mail addresses are on the school website at www.wellman.esc17.net.

Goals for Student Achievement

Administrators and teachers have studied our student performance data to decide the most important areas of improvement for our school. This year we will be concentrating on the following concepts:

K-12 students will be above regional scores in all tested areas by the end of the 2024-2025 school year.

Teachers, Parent, and Students Together

Each classroom will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

- Teachers will provide high-quality curriculum and instruction in a supportive and effective learning environment.
- Offer family nights concentrating on:
 - Reading and Math Strategies
- Our web sites will have links to family friendly web sites for building vocabulary and math skills
- Share ESC 16 Parent Newsletters quarterly either by sending home or place on the web site.
- Communicate by conferences, phone calls, emails, websites and/or notes regarding student achievement and behavior.
- Parent of students in grades PK-5 are required to have a parent conference.

Parent/Family Survey results helped staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list.

- Look for the class newsletter each week and check out the schools web site.
- Volunteer in the classroom - if possible
- Support my child in completing homework
- Encourage my child to read each night
- Have fun with math. Use materials in the home to explore math at home (cooking, measuring, estimating, etc.)
- Try to attend Family nights.
- Play word games with the new vocabulary words and find ways to use these words in family conversations.

Student survey results helped staff to develop ideas about how students can take responsibility in their success at school. The following ideas may help to make connections between learning at home and school:

- Talk with my family about new vocabulary words and what I am learning in math.
- Bring home our class newsletter and notices about Family Nights.
- Keep a list of games I play at home to practice new vocabulary words and math
