Resources

Reading

Your student is currently working in Cycle 7.

Istation Reading is organized into sequential cycles of reading instruction from Foundations to Reading Cycle 14. Your child is placed in the cycle that is appropriate for his or her learning based on his or her performance on the ISIP assessment.

Istation's reading intervention includes reading instruction across grades. The instruction in a cycle does not focus on skills for a single grade level but is focused on the skills your child needs to improve reading growth.
